BALARI TECH

AUDIO EDITING
FOR NARRATIVES

Clear, client-friendly pricing for trial work, first projects, and ongoing narrative editing.

Recommended launch pricing for narrative audio editing

Built for first-time narration clients who want a low-risk sample, a fair first-project rate, and a clear ongoing PFH option for future chapters or titles.

What's Included

- Dialogue cleanup and pacing
- Noise reduction and light mastering
- Chapter/file organization
- Listening notes before editing when needed

Best Use Cases

- Trial Sample before committing
- First-time audiobook and narration projects
- Ongoing editing after the workflow is approved

Simple Process

1. Receive audio and listen for quality issues
2. Flag any sections that may need re-recording
3. Edit and master the selected scope
4. Deliver polished files and confirm next-step pricing

Turnaround

- Typical turnaround depends on runtime and audio quality.
- Trial edits can usually be delivered first to test the workflow.

TRIAL EDIT

$30 FLAT

- Up to 15 finished minutes
- Cleanup, pacing, and mastering sample
- Notes on audio quality or possible re-records
- Best first step before a full quote
- 1 available revision

SHORT-FORM /FIRST PROJECT

$1.25 PER FINISHED MINUTE

- Good fit for one-off projects like a 70-minute narration
- Easy to understand for first-time clients
- Includes cleanup, leveling, and polished
- delivery
- Quoted by exoct finished runtime
- 1 available revision

STANDARD ONGING PRICING

$79 / FINISHED HOUR

- Best for repeat work and longer projects
- ACX-ready mastering and organized files
- Consistent rate for future chapters or books
- Recommended once the workflow is
- established
- 2 available revisions

Launch recommendation:

Begin with the $30 Trial Edit. For a short first project quote $1.25 per finished minute. Move to $95 per finished hour for ongoing or repeat audiobook editing work.
